VIEUX FORT, Saint Lucia (Jan. 11, 2016) – Saint Lucia’s Coconut Bay Beach Resort & Spa kicks off 2016 with more all-inclusive amenities, enhanced dining experiences, kitesurfing and sea turtle love.

To kick off the New Year, a new room category debuted in the resort’s family-friendly wing. Splash Premium Concierge Ocean View rooms feature amenities including free in-room Wi-Fi, private check-in and resort orientation, a family welcome pack and daily themed in-room amenity, in-room personalized bar, a free round of paintball, nightly turndown service, preferred dinner seating and reserved tables at weekly Caribbean and Country & Western nights. Dedicated concierge services will provide vacation planning assistance from dinner reservations, tour bookings, and spa appointments to arranging check outs and airport transportation.

Just added for winter season is a celebration of everyone’s favorite Caribbean flavors, the Jerk Hut. This colorful poolside food event serves the resort’s own secret spicy jerk recipe on pork and chicken with sides of roasted breadfruit and yams, fresh-baked bread and festival – the ultimate fried dumplings. This tasty treat needs a beverage and guests can watch Coconut Bay’s sugarcane juicer crush fresh cane harvested from the island into a sweet, refreshing drink.

Kitesurfing season is in full-swing at Coconut Bay's Surf Shack, the world-class staging area on beautiful Anse de Sables Beach where prevailing winds from the Atlantic make this one of the best wind-sport destinations. Lessons for all skill levels are available from the qualified Surf Shack staff and guests 16 and older who want to learn will receive an International Kiteboarding Organization (IKO) certification card after successfully completing the 9-hour "Zero To Hero" course, US\$630. *Surf and Stay* packages are available during peak season, November -April.

In March 2016 resort will introduce organic, farm-to-table vegetables grown in new greenhouses just constructed on its 85-acre property. Guests will be invited to tour the facilities and learn about the growing process and harvesting. New menu offerings will incorporate and spotlight the range of fresh produce throughout all of Coconut Bay's restaurants and dining options.

Coconut Bay will expand the SCOUTS Sea Turtle Rescue program, a preservation and awareness effort to protect the nesting sea turtles and hatchlings that call Coconut Bay's beach home from March to November. Guests of all ages are invited to learn about these extraordinary endangered reptiles, understand what can be done to save them and experience the wonder of baby hatchlings emerging from their nests and making their way into the ocean.

All-inclusive rates start at just \$156.00 per person, per night based on double occupancy, a 55% savings, including airport transfers from Hewanorra International Airport and all government taxes and gratuities. Children under three stay free, kids between the ages of 3-17 stay for just \$63 per night. Spa services, The Zone paintball and excursions are not included in rates.
