Coconut Bay

Discover your dream wedding at Coconut Bay Beach
Resort and Spa, St Lucia...

Coconut Bay Beach Resort and Spa is one of St Lucia's most sought-after wedding destinations, offering pristine beaches, warm Caribbean breezes, and an incredible array of packages to cater to every couple's style, needs, and budget. Redefining its offerings for 2025, the property has launched its newly enhanced Eternity Beach Pavilion Venue – a sleek infinity-edge deck that replaces the traditional sand aisle, creating a breathtaking backdrop for couples to say, "I do." The resort

is located within a mile-long oceanfront setting along Saint Lucia's exotic south coast, just minutes from Hewanorra International Airport and the island's top attractions such as the Soufriere Sulphur Springs and the island's iconic twin peaks. Coconut Bay's recently refurbished 250 rooms are divided between Harmony, an adults-only oasis, and Splash, the family-friendly wing. Whether exchanging vows on the pristine white sand beach or beneath the elegant oceanfront gazebo, each wedding ceremony setting is designed to be

unforgettable. The resort's Silver Package is perfect for an intimate ceremony of up to eight guests at the Oceanfront Gazebo, offering a personalised experience with tropical florals and sparkling wine. Whilst the Platinum Package accommodates up to 30 guests, including a personal wedding coordinator to manage every detail from décor and the bridal bouquet to a delicious three-tier cake. A pre-travel wedding

planner ensures a stress-free day, with complimentary perks such as breakfast in bed and pre-wedding fruit platters to pamper the couple. Couples can also elevate their celebration with a sunset catamaran cruise or a private island tour along the west coast of the island.

Also new for 2025, Coconut Bay's oceanfront Sanctuary Spa has undergone a complete renovation including a

transformation of the treatment and steam rooms along with a new menu of treatments, an outdoor relaxation deck and six oceanfront spa cabanas. The bride-to-be can book into an indulgent spa treatment with a rejuvenating massage or a pampering facial to get that wedding glow. Newlyweds can also unwind with a private spa treatment to connect and recharge together after their big day. Expanding its tranquil offerings, the resort added 11 new oceanfront beach cabanas, providing guests with a secluded retreat just steps from the Caribbean Sea.

For dining, guests can enjoy eight restaurants and seven bars including new à la carte vegetarian and vegan restaurant Seasons Veggie Bistro, offering a menu of nutritious, vegetable-based dishes ranging from light options like quinoa

tabbouleh salad to hearty entrées such as vegetable lasagna and tofu pad Thai, crafted from over 95% locally sourced produce. Seating up to 50 guests, Seasons Veggie Bistro is also an ideal venue for wedding receptions. The resort also boasts five pools—including two exclusively for adults at Harmony—creating a peaceful retreat for newlyweds to recharge. Nightly entertainment and themed dinners keep all guests entertained, alongside a range of sports and fitness activities. Adventure seekers can enjoy the kitesurfing centre, kayaking, or paintball, while those looking for a more relaxed experience can take part in yoga, Pilates, or seasonal turtle watching.
